Dear Member,

Welcome to the Little Emperors & Co. Travel Guide, a comprehensive list of hotels and travel partners affiliated with the Little Emperors programme.

Little Emperors has strategically selected hotels that best suit our membership demographic. In most cities, we have relationships with a business, a luxury and a boutique property.

Our hotel rates are negotiated through our volumes channeled into our selected properties.

This can either be a direct discount from the hotel's online best available rate, or a fixed corporate rate valid throughout the calendar year.

Our rates are non commissionable, securing the lowest available rates for our members.

For enquiries and bookings please email concierge@littleemperors.com
